ABOUT THE EVENT

📍 What is the TransPerfect Mountain Challenge?

Barcelona TransPerfect employees, friends and families will take part in the Mountain Challenge for the second year in a row. **This year, we want you to join us! Sign up and participate in our Challenge.** It will take place in a more accessible area to expand the event and reach more mountain lovers. The event will feature an orienteering race with three different levels (family level, 3 hours and 6 hours) and two trail running distances (10KM and 21KM).

The 2019 Mountain Challenge will take place in the Vallalta Valley, between Sant Iscle and Sant Cebrià de Vallalta. This valley is located between the Montnegre Mountain Range and the Mediterranean Sea. Only 45 minutes away from Barcelona City center.

The TransPerfect Mountain Challenge is in partnership with a local Barcelona children's cancer organization. All proceeds from the event will go directly to AFANOC (Associació de Familiars i Amics de Nens Oncològics de Catalunya).

📍 What is an Orienteering Race?

Orienteering is a competitive sport that requires navigational skills, using a map and compass in order to travel quickly from point to point in diverse and usually unfamiliar terrain. Participants are given a topographical map, normally a specially prepared orienteering map, which they then use to find control points. At the TransPerfect Mountain Challenge you will receive a map 10 minutes before the start. You gain points at every station you check-in at so that you can earn as many as possible before your time is up. The location of the stations will depend on the level.
